INTERWRITE™ BOARD

The **Interwrite™ Board** is the most durable, easy-to-use interactive whiteboard on the market. The ideal solution for educators who want to interact, annotate, and engage their students while feeling confident that it will withstand almost any classroom abuse.

Wirelessly connected to your computer and a projector, the **Interwrite™ Board** and the award-winning Interwrite™ Workspace software gives you access to a rich database of digital images, simulations and interactive lessons. You can turn a standard lesson or lecture into a completely interactive one.

Highlights:

- Durable interactive whiteboard available in many sizes to fit the needs of any classroom.
- Functions as a standard whiteboard, so standard dry erase markers can be used and easily erased.
- Easily capture your notes with or without the use of a projector.
- Connect the Interwrite™ Board to your computer via serial, USB or Bluetooth™ wireless (optional).
- Award-winning, easy-to-use Interwrite™ Workspace software is included FREE giving you access to an extensive digital library of images, simulations and lessons along with over 50 annotation tools for creating, displaying, annotating, recording and sharing your lessons.
- Interwrite Board features three mounting options:
 - ◆ Wall mount
 - ◆ Stand mount
 - ◆ Adjustable height stand mount with included projector arm for use with a range of short throw projectors
